

Thank you for your interest in USSSA Baseball.

Playing baseball with USSSA is an easy four (4) step process:

1. Determine your team classification
2. Register your team with USSSA
3. Enter your roster on-line with USSSA
4. Find a tournament you wish to participate in and enter the tournament.

Below are step by step instructions to get you team registered and started with USSSA. For additional help and information, please visit

Step 1: Determining Your Team Classification

USSSA offers four levels (classifications) of play (i.e.: Major, [AAA](#), AA, A)

TEAM CLASSIFICATION GUIDELINES

Any team that is reforming from the PREVIOUS season must start the CURRENT season in the same class that they finished the PREVIOUS season. If four (4) or more players from a PREVIOUS roster are on a new team, that team must classify as the PREVIOUS team's classification.

The guidelines below are to help determine your classification. The ultimate

classification is determined by the overall strength of the team. Teams may be reclassified at any time by the Iowa USSSA State Office. Teams must play in at least the same division as they finished the previous season if not the next higher classification.

MAJORS

The top teams in the State

AAA

Tournament Teams - Competitive teams

AA

Teams that restricted rosters, drafted players or play at the recreational level, normally league teams.

A

Drafted League Teams

Step 2: Register Your Team

All USSSA teams are required to register annually with USSSA. Teams must register their team on-line at www.ussa.com.
